CONCOURS PRODUCTION

La Jolla Concours d'Elegance is produced by The Shift Studio

TWENTY YEARS

In 2006, a small group of devoted automotive enthusiasts envisioned a world-class concours set against the unrivaled beauty of La Jolla's coastline.

Through passion, perseverance, and community spirit, that vision became the La Jolla Concours d'Elegance.

This milestone year honors two decades of artistry, performance, and coastal sophistication. Motorvault opens the celebration in a spirit of legacy and refined indulgence.

LA JOLLA
HISTORICAL SOCIETY

Proceeds benefit the La Jolla Historical Society, making the community's diverse past a relevant part of contemporary life, and serving as a gathering place to explore history, art, ideas and culture.
